### What is this document?

This is a summary of the TIPS 2026 Summer Holidays Travel Insurance product. It is not the policy and it is not a legal document.

The policy and the policy confirmation form the legal document which states the full terms and conditions of your coverage.

### Where can you find the policy?

Ask your travel agent or download a copy from our TIPS website: [gowithtips.com/products-2-2/all-products-2/#10--summer-holidays-plan](http://gowithtips.com/products-2-2/all-products-2/#10--summer-holidays-plan)

# PRODUCT DESCRIPTION

This product is for people who plan on taking multiple trips outside their province of residence during the summer.

If you travel outside your province of residence and have emergency medical expenses, they might not be covered. This insurance covers your medical expenses if you have an unexpected medical emergency while you are on your trip.

## Who can buy this insurance?

(See policy - page 1)

In order to buy this policy, **you must:**

- Live in Canada;
- Be less than 61 years old;
- Purchase before you leave on your first trip; and
- Pay the required premium.

And **you must not:**

- Have a terminal sickness with less than 12 months to live; and
- Have a doctor advise you against travel due to a medical condition.

## NOTES

- *If you do not meet all of the requirements above, your policy is null and void and we will return your premium*
- *Coverage is limited to \$25,000 if you are not insured under a Canadian government or university health plan (such as RAMQ)*
- *A child born during your trip is not covered*

## How long does coverage last?

(See policy - page 2)

The policy covers you for an unlimited number of trips outside your province of residence between **June 1, 2026** (or the date you buy the policy if after June 1) and **September 8, 2026**.

## WHAT IS COVERED?

### Emergency Medical Expenses

(See policy - pages 3-5)

We reimburse your medical expenses and certain out-of-pocket expenses if you have an unexpected medical emergency during your trip.

The policy pays **up to \$10 million** for the reimbursement of reasonable expenses.

Some expenses are reimbursed up to a fixed amount. For example, the 'Accommodation & Meals' benefit is limited to \$350 per day to a maximum of \$1,750.

To know what your maximum reimbursement would be for each benefit, see the 'Schedule of Maximum Benefits' on page 2 of the policy.

**Travel Assistance is Included – See page 6 of this summary for details.**

### NOTES

- *We pay over and above what your government (RAMQ), university (UHIP) or private health plan allows*
- *This policy is secondary to all other sources of coverage*

# WHAT IS NOT COVERED?

## What are the reasons we will not pay a claim?

(See policy - page 5)

There are several situations and reasons why your claim may not be paid. These are **listed in the policy** in the Policy Exclusions section (see pages 5-7).

The most common reason for denial is due to a **pre-existing condition** that is not stable.

A **pre-existing condition** is a medical condition that exists before departing on each trip.

This policy covers your pre-existing condition if it is **stable** in the 60 days before you leave on each trip.

Not sure if you  
have a pre-existing  
condition?

Consult with  
your doctor.

**Stable** means:

1. You didn't have any new treatment, changes to treatment, or stoppage of treatment;
2. There were no changes to any prescribed drugs you take (including increases, decreases, or stoppages);
3. Your condition didn't get worse;
4. None of your symptoms changed;
5. You weren't admitted to a hospital or referred to a specialist;
6. No recommended tests or investigations were pending; and
7. You didn't have treatment planned or pending.

**All** points above must be true for a condition to be stable.

There is no coverage for these conditions, even if they are stable:

1. A heart condition that needs nitroglycerine more than once a week; or
2. A lung condition that needs home oxygen or oral steroids.

# PRE-EXISTING CONDITION EXAMPLE

John has a pre-existing condition of arthritis in his knee...

<b>June 1<sup>st</sup></b>	John books a trip to Italy to travel from July 1 <sup>st</sup> to July 14 <sup>th</sup> and purchases a TIPS Summer Holidays policy.
<b>June 4<sup>th</sup></b>	John experiences pain in his knee and visits his doctor the same day. His doctor tells him his knee is getting worse and prescribes him new pain medication.
<b>July 10<sup>th</sup></b>	While on his trip, John experiences pain in his knee, goes to a hospital and receives treatment. The hospital charges John \$300 for his treatment.

Within the 60 days leading up to his trip, John's condition got worse and he was prescribed new medication by his doctor. This made his pre-existing condition unstable. In this case his \$300 hospital bill is not covered under the policy.

*Note: If John had taken more or less medication, or stopped taking medication, in the 60 days leading up to his trip, this would also have been considered a change in his condition.*

### IT'S YOUR CHOICE

**You are never required to purchase insurance:**

- that is offered by your distributor;
- from a person who is assigned to you; or
- to obtain a better interest rate or any other benefit.

Even if you are required to be insured, **you do not have to** purchase the insurance that is being offered. **You can choose** your insurance product and your insurer.

### HOW TO CHOOSE

To choose the insurance product that's right for you, we recommend that you read the summary that describes the insurance product and that must be provided to you.

### DISTRIBUTOR REMUNERATION

A portion of the amount you pay for the insurance will be paid to the distributor as remuneration. The distributor **must** tell you when the remuneration exceeds 30% of that amount.

### RIGHT TO CANCEL

The Act allows you to rescind an insurance contract, **at no cost**, within 10 days after the purchase of your insurance. However, the insurer may grant you a longer period of time. After that time, fees may apply if you cancel the insurance. **Ask** your distributor about the period of time granted to cancel it **at no cost**.

If the cost of the insurance is added to the financing amount and you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used **to shorten the financing period**. **Ask your distributor for details**.
